Bath Farmers Market (BFM) Liability Insurance Statement (Change instituted in 2018 Season going forward unless changed by the Farmers Market Board):

While in the past the BFM has required vendors to carry liability insurance to vend at the BFM, the BFM board waived this requirement beginning with the 2018 Summer Market based on feedback from some special event vendors and Bath Township residents in an effort to encourage more vendors at the summer market. The BFM board still ***strongly encourages*** vendors to carry both product and general liability insurance for their business(es). The primary purpose of liability insurance is to protect the vendors, the vendor's business interests and equipment, and the vendor's personal assets (including finances and property). If you would like to talk more about where and how to obtain liability insurance and suggested coverage ranges for your business please feel free to contact the BFM manager or board members

Product Quality:

Only fresh quality products are acceptable. The selling of spoiled, overripe, unusable or outdated products is prohibited.

Market Day:

The Market will be open rain or shine. Vendors are expected to have equipment, products and signage in place at the opening time of the market. Summer market vendors will not be permitted to drive on the grass within one half hour of the market opening unless given prior approval. A vendor must notify the Market Manager one hour before the start of setup if they know they will be late to hold their reserved stall(s). Afterwards, the reserved space may be assigned to another registered vendor. A vendor that is scheduled to be at the market, but is unable to attend, is asked to notify the Market Manager as soon as possible. "No shows" cause a disruption to the market layout and the opening of the market. Vendors may not start removing items from their stall(s) until the closing of the market.

Market Cancellation:

The market will be open rain or shine. The only exceptions will be in the case of a manmade or natural disaster, or severe weather (i.e. tornado warning). The Market Manager will be responsible for making the decision to cancel the market and will notify the vendors as soon as possible. If the market is cancelled, vendors will not be allowed to set up a stall in summer, or enter the Community Center in winter. If the market has already been set up and a severe condition develops, vendors will be directed to an appropriate shelter.

Vendor Parking:

Parking at both the summer and winter markets is limited. We ask all vendors to limit themselves to one vehicle per market space. At the summer market parking is available in the stall. Only one vehicle per stall is allowed. Additional parking is available at the school parking lot across the street. At the winter market, after unloading products, parking is available at the back of the market parking lot or in an alternative area.
